Major	CGPA 2.0+
•	To find major CGPA:
	Add grade points awarded for all LING courses taken. This is on your
	transcript. Write that total here
	Add the number of credits ATTEMPTED (this is the first column NOT credits earned) for all LING
	courses taken. Write that total here
	Divide the total grade points awarded by the total number of credits attempted.
	That is your major CGPA.

Please see the details regarding mandatory internship policy in the catalog and consult your department for further details.

<u>Please note:</u>
